

Once you've added a photo to Moments, you can share it to other apps like Facebook. Keep in mind photos in Moments are private until you, or the people you've sent them to, choose to share them more broadly. To share photos from Moments: Tap the photo you want to share. Moments instantly organizes the photos and videos on your phone by time, location and the people in them. It helps you create photo albums that you can share with your friends and family, so you can privately collect all the photos and videos you'll want to look back on.

Dying For Enlightenment: Living With Bhagwan Shree Rajneesh, The Advanced Handbook On Modern Metal Detectors, Neanderthal Man, All Is Not Enough, American Revolution And The Making Of The Republic, 1771-1791, The Management Of Investment Decisions,
